A whole new world of
“I think I want to be a fish.”

To say that Aulani is a whole new world of water fun is an understatement. From little ones to adults, keiki to kūpuna, we have plenty for everyone to dive into and enjoy. Unforgettable pools, waterslides, a lazy river, Keiki Cove splash zone for toddlers, Menehune Bridge interactive play area, whirlpool spas, Ka Maka Grotto infinity-edge pool and even an adult-exclusive pool.

And, of course, the gentle and relaxing Ko Olina Cove where you can snorkel, paddleboard, boogie board and kayak to your heart’s content. Or just relax on the sand.
A whole new world of
“We could play at Aunty’s all day.”

Other resorts have just a kids’ club, but we have Aunty’s Beach House. It’s 5,200 square feet of complimentary, interactive, supervised fun for kids ages 3–12. Everything from a backyard, movies, games, a computer room and crafts to activities like Keiki Hula, Coconut Kings and Queens of Comedy and Stitch’s Space Goo. There are even activities for parents and toddlers.

Think about it—while you’re taking a dip in the pool, having a relaxing time shopping, taking in a treatment at Laniwai Spa or enjoying a meal at one of our delicious dining options, your kids are safe and sound, having the time of their lives. It’s a whole new world, indeed.
